NOTE: PLEASE GATHER YOUR PROOF OF RESIDENCY DOCUMENTS BEFORE YOU BEGIN. YOU WILL BE UPLOADING THESE DOCUMENTS IN TO THE AERIES PARENT PORTAL (PDF OR JPG).

On 7/12/21, please log into www.reghub.org to guide you through three (3) Steps to confirm your student(s) attendance in the Lafayette School District for the 2021-2022 school year:

Step 1: LPIE contribution – support Lafayette public schools with an annual donation to our community's education foundation, Lafayette Partners in Education (LPIE). Learn why we need an education foundation at www.lpie.org or by reading the enclosed LPIE brochure.

Step 2: Aeries Enrollment Data Confirmation including Proof of Residency for new and returning students – see instructions below.

Step 3: Follow the link(s) to your student(s) school mascot in order to complete reghub.

The following information will address how to navigate Step #2 - Enrollment Data Confirmation in the Aeries Parent Portal.

Returning families: Proceed to Step #1 at www.Reghub.org

New families will receive an email from Aeries LSD-Aeries@lafsd.k12.ca.us on 7/12/21. Please follow the instructions to create a new parent portal account; then proceed to Step #1 at www.reghub.org on 7/12/21 when the Aeries parent portal opens.

PLEASE COMPLETE BY AUGUST 2, 2021 IN ORDER TO CONFIRM YOUR STUDENT'S PLACEMENT FOR THE 2021-2022 SCHOOL YEAR

The Aeries Parent Portal has a “new” look this year.

All families will be completing the Enrollment Data Confirmation separately for every student in the family. Important: Each section must be completed in order to finish. Click on Student Information and then Data Confirmation. Contact information can be changed through the school office. Address changes must be sent to the District Office.

Section 1: Family information

Section 2: Student

Section 3: Medical History

Section 4: Documents

Section 5: Authorizations

Section 6: In Requested Documents, upload current Proof of Residency – Group #2 and Group # 3 only*

Section 7: Final Data Confirmation – Your registration will not be confirmed in the system unless you click on the final box that reads “Confirm and Continue”.

Note: these 7 steps need to be repeated for every student in the family. Return to the Dashboard, and click on additional siblings to complete their Data Confirmation.

If everything is complete, and there is no additional documentation required for residency, you will receive an email confirmation from Aeries.

The only way to access your student’s teacher’s name or schedule will be to complete the enrollment data confirmation and receive the confirmation email.

Access to your student’s teacher or schedule is currently TBD, as we need to stagger schools and times so the Aeries system does not get overloaded. You will receive notification from your school office.
